

DBRC Junior Tennis Program

2018 – 2019

Here in Discovery Bay we believe that tennis is a great sport to be enjoyed for life, right from a very young age. From developing ones basic motor skills and coordination to learning about competition and cooperation, the benefits of tennis extend far beyond the tennis court. Our tennis program is designed to cater for all ages and levels from Mini-Tennis all the way up to Junior Teams with the goal of giving everyone a chance to enjoy the sport of tennis.

Juniors will be part of **GROUP LESSONS** to allow everyone to learn with friends and people of similar age and experience the importance of competition and cooperation with others in sports.

Students will rotate between **COACHES** giving all players an opportunity to learn from different coaches and maximize input towards their improvement and progress.

Dedicated **MATCH PLAY** sessions on Friday's give players the opportunity to apply their skills in a fun and friendly environment all while learning the rules of the game with the coaches. These sessions are an important pathway for juniors who aspire to join our Junior Teams.

The use of modified equipment such as red, orange and green soft balls, smaller rackets and smaller courts in our **MINI-TENNIS** structure ensures the game is fun and playable for all.
