About Cheung Do Kwan Taekwondo

Taekwondo literally means "the way of the hand and foot". It specializes in numerous kicks for self-defense. Much emphasis is put on the physical training requiring strength, body coordination, free fighting techniques and skills. However, the main goal of learning Taekwondo is to achieve control over the mind as well as the body.

Our club aims to provide excellent teaching standards while also teaching students the meaning of respect and discipline. Taekwondo is a very vigorous exercise and uses the whole body to perform and execute kicks and punches. Furthermore, all our instructors are Korean and are fully qualified Kukkiwon World Taekwondo Federation black belts, where Kukkiwon World Taekwondo Federation black belts is known to be the official organizer of Taekwondo and only World Taekwondo Federation black belts may compete in the Olympics.
